

## Assembly Bill No. 756

### CHAPTER 811

An act to amend and supplement the Budget Act of 1999 (Chapter 50, Statutes of 1999), relating to state government, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor October 8, 1999. Filed  
with Secretary of State October 10, 1999.]

I am signing Assembly Bill No. 756, however I am reducing the following item:

Item 3790-302-001—for relocation and restoration of Stilwell Hall in Monterey County, and for the stabilization and restoration of the Copperopolis Armory in Calaveras County. I reduce this item from \$3,020,000 to \$3,010,000 by deleting the funding for Copperopolis Armory.

This appropriation inappropriately diverts funding intended for high priority state park cultural heritage projects to a local project. This project should be funded from local resources.

The other budgetary augmentations and reallocations provided for in this bill are appropriate expenditures and have my full support.

GRAY DAVIS, Governor

#### LEGISLATIVE COUNSEL'S DIGEST

Existing law, as set forth in the Budget Act of 1999, makes various appropriations for support of state government for the 1999–2000 fiscal year.

In augmentation of the Budget Act of 1999, this bill would reappropriate \$3,010,000 from support of the Department of Parks and Recreation for cultural heritage projects to support of relocation and restoration of Stilwell Hall at Fort Ord and for stabilization and restoration of the Copperopolis Armory, as specified. The bill would appropriate \$8,000 from the General Fund to the Department of Fish and Game for the New Hogan Lake Conservancy, as specified. The bill would also appropriate \$235,000 from the General Fund to the Department of Water Resources to pay the Reclamation Board's share of preconstruction engineering and design costs relating to the Success Reservoir Enlargement Project.
